CrossRoads is a community of believers in the Lord Jesus Christ. It consists of students and young adults seeking God's direction in the many avenues of their lives. We are a lay-led movement with active pastoral participation. We are a non-profit organization that actively seeks the participation of people from all Christian denominations. The CrossRoads Weekend endeavors to bring Christians to a closer, more personal walk with the Lord Jesus Christ, encouraging them to positions of Christian leadership and action in their home church.

The Weekend will be spent in a Christian community participating in a combination of carefully developed activities and teachings that are meant to lead to a fuller personal commitment to Christ. The main teaching of CrossRoads is God's unqualified love for each of us through His grace. Our prayer is that young men and women who attend this Weekend will identify the crossroads in their lives and chose the direction/path God has laid out for them in Scripture.
